# BALTON FARMER'S KIT

**The Balton Farmer's Kit** is a complete set of tools for sustainable farming and has proven to be a pro-active route to achieving improved livelihoods and to combat food insecurity in many communities. Bringing a Holistic approach to agribusiness the Balton Farmer's Kit represents a new dawn in Agriculture. Balton's approach to successful, sustainable agribusiness rests on 3 pillars: **Knowledge, Knowhow, High Quality Inputs.**
